

1971 "AAAA" CIF CHAMPIONSHIP GAME

On Saturday, March 13, history was made. Basketball history, that is! For the first time in CIF history, a basketball team has won "3" championships in a row. But the fact that makes our feat so outstanding is that we've won championships in three different divisions in three successive years. In 1969 our basketball team, led by "2A Player of the Year" Keith Batiste, defeated a well-disciplined Katella High Basketball team 90-87. Last year, after being moved up to the 3A Division, our basketball team, led by "3A Player of the Year" Raymond Lewis, outfought a tough Ferman Lausen High team 77-69 for the championship. This year, led by "4A Player of the Year" Raymond Lewis, "CIF SS Tournament MVP" Lewis Brown, our two outstanding Senior forwards, Addian Chivers and Randy Echols, and junior guard Dwight Slaughter, the EAGLES totally dismantled the alleged "super team from Crescenta Valley 51-42.
